The “Three-Point” Scholarship

One \$3,000 scholarship to a college-bound senior from Cape May County who demonstrates excellence in academics, athletics, and service.

The “Three-Point” Scholarship honors the well-roundedness of our non-profit’s namesake, Genny Farnan. Genny was an exceptional person—skilled on the court, quick in the classroom, and active in her community. In high school, she scored 1,025 points for Wildwood Catholic’s girls’ basketball team. She earned her bachelor’s degree in Education: Health and Exercise Science from Rowan University and brought her knowledge to her career with the Middle Township Board of Education and Atlantic County Special Service School District. Meanwhile, and even after her cancer diagnosis, Genny volunteered frequently for the benefit of our Cape May County community, most often alongside John Lynch of the Lunch with Lynch Foundation.

We lost Genny to glioblastoma on March 31, 2016, before her 30th birthday. Next Gen 30, INC is our way of sharing Genny’s vivacious spirit with the community after her passing. We hope to encourage the inspiring students in our community, all in Genny’s honor.

To apply for The “Three-Point” Scholarship, please submit the following:

1. Your most recent transcript from a Cape May County high school
2. A brief essay (300-500 words) that quickly explains your contributions in academics, athletics, and service and then details the motivations driving your efforts in these three areas

Deadline: Your completed application must be returned to your guidance counselor, completed on our online forms at nextgen30.com, or emailed to nextgenthirty@gmail.com by Friday, April 12, 2024.
