

NEXTgen³⁰

Dear Supporters,

Due to the coronavirus (COVID-19) pandemic, we've made the difficult decision to cancel this year's FUNraiser.

The benefit is our largest fundraising event of the year. It's our community's biggest show of support for Genny and the nonprofit formed in her name.

This year, the coronavirus pandemic demands our attention to the mission driving this nonprofit. We've committed to prioritizing the health of the communities that Genny loved. As the pandemic poses an unprecedented physical and financial threat to the individuals in our beloved community, canceling our fundraiser feels like the right thing to do.

This is a difficult announcement for a challenging time, and so we feel called to remember Genny's resilient spirit. Despite cancer and chemo, she always took the time to spread kindness. As we near the completion of our own 30 acts of kindness for 2020, we invite you to share kindness and remember Genny in your own way. If you feel inclined, please @ us on Facebook or Instagram with your pictures and stories. We'd love to share them! If you're looking for ideas, please consider donating a toy to our friend John Lynch's Lunch with Lynch toy drive. We'll share more information about that as the holiday season progresses. And, if you're able, we're always accepting donations on our website at nextgen30.com.

We hope to celebrate Genny's birthday with you next year.

Thank you for your continuing support,
Genny's Family
