The “Pay It Forward” Scholarship

\$1,500 to a college-bound senior who was a member of a Cape May County high school's 2021-2022 girls' basketball team

Genny Farnan loved the game of basketball, from the moment she first learned to dribble as a young child to scoring 1,025 points as a member of the Wildwood Catholic girls' basketball team. Genny strived for excellence; she wanted to be the best and got the best out of her teammates. She lived her life with the mission of helping others, to be a leader in the community and to “pay it forward.” While working and battling cancer, Genny was an active volunteer for her friend John Lynch's Lunch with Lynch Foundation. In her battle with cancer, she demonstrated the same determination, athleticism, and resilience she showed not long before on the basketball court.

We lost Genny to glioblastoma on March 31, 2016, before her 30th birthday. Next Gen 30, INC is our way of sharing Genny's vivacious spirit with the community after her passing. We hope to encourage the inspiring students in our community, all in Genny's honor.

To apply for The “Pay it Forward” Scholarship, please submit the following:

- A brief essay (300-500 words) explaining how you have “paid it forward” by applying lessons learned on the court to your life outside athletics

Deadline: Your completed application must be returned to your guidance counselor, completed on our online forms at nextgen30.com, or emailed to nextgenthirty@gmail.com by Friday, April 15, 2022.
